Describe the idea

In a short paragraph, explain the idea. You might find it helpful to include the following:

- Describe the current state of affairs that prompted the idea
- Describe what could be made better or what could be added
- Describe how the idea improves the current state ...

For example, would it get the message out about DWN, expand or improve programs, tap into some underused or overlooked resources, provide more benefit to consumers, increase involvement in DWN, generate contributions for DWN.
