**Discovering What's Next®** is looking for participants for our Pilot Program on **Encore Careers** -- *work that provides personal meaning, continued income and social impact.*

DWN has received a grant from Tufts Health Plan Foundation to develop a model program providing connections to **Encore Careers**.

We invite you to an information session about our **Encore Careers** Pilot Program. Join us for the Kick-Off Meeting-Up, Wednesday, May 5, 6:30pm, Lasell College, Winslow Academic Center/de Witt Hall\*, 80 A Maple Street, Auburndale, **for comprehensive information on encore careers and for further details on participating in the pilot program.**

Pilot program participation will include:

- one 60-minute session with a trained Encore Navigator in May
- one 60-minute session with same Encore Navigator in June, resulting in a personalized road map for moving forward.
- completion of evaluation forms regarding your experience so we may improve our program in preparation for the official **Encore Careers** program launch later this year
- follow-up Encore navigation group meeting—one in June and one in July
- follow-up Encore navigation workshop in September

We need the involvement and commitment of people like you to help us advance our program; and we hope you will consider participating in this interactive pilot program. To register for the Kick-Off Meeting-Up and to find out more information about Encore Careers, please email us at [info@discoveringwhatsnext.com](mailto:info@discoveringwhatsnext.com).
